Dear Customer,

Welcome to the sixth edition of our catalogue.

As a small family business, we enjoy being able to provide a personal service, providing unusual, limited edition jewellery at affordable prices. Where possible we'll replace lost earrings and repair damaged jewellery. Earrings can be for pierced or unpierced ears, necklace chain lengths can be your choice and magnetic clasps can be fitted on request. Commissions are always welcome.

Most of the designs are brand new, just keeping a few firm favourites. I've also introduced a selection of children's bracelets which will make special presents for little girls. They were certainly a great hit with the girls who modelled for me!

In these difficult financial times, I've kept prices down as much as possible without sacrificing quality and range. As always there is a wide selection of gemstones to choose from, including beautiful amazonite in Sea Green on page 19, as well as the popular birthstones from page 23. You'll find new colours of Swarovski crystal butterflies, vibrant new glass jewellery in lots of colours, several millefiori designs and plenty more pearl, crystal and Venetian pieces throughout.

Enjoy browsing,

Best wishes,

Jane

To celebrate birth

For such a special time, I thought it would be a lovely keepsake to have a delicate heart necklace in palest pink rose quartz or blue lace agate. Another option would be to have clear rock crystal. All are complemented with a tiny Swarovski crystal.

If you'd like to give to a mother who has more than one child, a heart can be added for each child. Also, the necklace could be sent back to me to add further hearts as time goes on!

62. My Daughter

Necklace with single heart of rose quartz.
1.5cm drop. £19.50

63. My Son

Necklace with single heart of blue lace agate
1.5cm drop. £19.50

64. My Child

Necklace with single heart of clear rock crystal
1.5cm drop. £19.50

65. My Children

Necklace with double drop of hearts. Please specify gemstones required. Picture shows rose quartz and blue lace agate.
3cm drop. £24.50.

£5 for any additional hearts.
